RULOURI SUPRAPUSE

Top mounted roller shutters

Rulouri suprapuse

RO Fuziune deosebita între tamplarie și rulou. Acesta ruloul suprapus tamplariei, soluție tehnică Austria de profile PVC care se integrează armonios în designul interior și exterior al casei. Casetă ruloului nu este vizibilă nici din interior sau exterior, sunt vizibile doar lamelele ruloului atunci când acesta este coborât pentru a ne proteja de soare, frig și infractori.

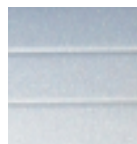

Top mounted roller shutters

EN Special fusion between joinery and roller blinds. This is the superposed roller blind, Austria technical solution of PVC, the roller blind that fits for the interior and exterior design of the house. The box of the roller blind is not visible from inside or outside, one can see only the lamellae when the roller blind is lowered to protect us from sun, cold and law breakers.
