USI GARAJ TIP RULO

RO O solutie CONFORTABILA de inchidere a garajului – usa de garaj tip rulu. Produs robust si eficient din toate punctele de vedere: de la spatiul necesar instalarii si functionarii pana la nivelul ridicat de securitate asigurat. Usa tip rulu este folosita frecvent si la inchiderea spatiilor comerciale cu deschideri mari.

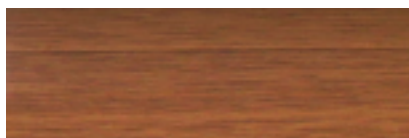

EN A COMFORTABLE solution to close the garage – the garage door of roller blind type. All-over a strong and efficient product: from the space required for installation and performance up to the provided high level of security. The garage door of roller blind type is currently used to close the commercial areas with large openings.
